Hiring Now!!

Advent Resources is a software company on the waterfront in San Pedro, CA offering CRM and DMS solutions for the automotive industry. We are in a state of rapid growth, as we have just released a new product. We are currently looking for entry level and advanced programmers for full time positions. If you are looking for a one of a kind opportunity to grow your career while working with an outstanding group of professionals, Advent Resources is right for you.

We are hiring for the following positions:

1. **C-Programmer**
2. **PHP-Programmer**
3. **JavaScript Programmer**

Midlevel C Programmer This person will have at least 3 years' experience in C programming and will support maintenance and new development of our Dealer Management System. This will include trouble shooting client issues, analyzing application bugs and new feature development. Candidates should be a good communicator, self-driven, highly motivated, detail oriented, organized and quality driven. Advent allows you to use your skills, experience and exchange of ideas to impact our growth strategies.

PHP Programmer. This full time on-site programmer will help develop efforts to migrate legacy application to web, as well as provide daily support for the current web application, Customer Relationship Management and will support maintenance and new development of our Dealer Management System. This will include, but is not limited to, troubleshooting client issues and analyzing application bugs. The developer will primarily support PHP, JavaScript, JSON, XML and SQL, but should expect exposure to other technologies.

JavaScript Developer : This candidate should be knowledgeable in JavaScript programming that will provide support for current ExtJs web application and help in development efforts to migrate legacy application to ExtJs. This will include, but is not limited to, troubleshooting client application issues and analyzing application bugs. The web developer will primarily support/develop in ExtJs/Javascript, PHP, XML, HTML, and SQL technologies, but should expect exposure to other technologies.

For our employees, Advent Resources inc. offers Great Benefits!!
