

Are you a
cybersecurity
GURU?

**STEP
1**

**ATTEND A DAY CAMP TO PREPARE FOR THIS
YEAR'S CYBER QUESTS**

On April 6, 2013, SJSU will host a day camp that might give you an edge to come out on top during Cyber Quests!

Information on and registration for the Cyber Quests Prep Day Camp: www.sjsu.edu/cybersecurity

**STEP
2**

TEST YOUR SKILLS DURING CYBER QUESTS

Cyber Quests is an online competition held April 16–30 that tests participants' abilities to identify vulnerabilities in a virtual network and answer questions related to their findings. Participants who compete in Cyber Quests and qualify will get one of 100 spots at the California Cyber Challenge Summer Camp—held at San José State.

Information on Cyber Quests: www.uscc.cyberquests.org

**STEP
3**

**SHOW YOUR STUFF AT THE CALIFORNIA
CYBER CHALLENGE SUMMER CAMP**

San José State will host a weeklong camp August 4–9 for up to 100 participants. You will learn how to evaluate network security and gain firsthand experience detecting intrusions through simulated attacks. And you may be eligible for additional prizes and recognition. Everyone will also have an opportunity to meet with major technology companies and government agencies at a job fair.

Information on the summer camp at SJSU: www.sjsu.edu/cybersecurity/cyberchallenge/index.html

CALIFORNIA CYBER CHALLENGE IS PART OF U.S. CYBER CHALLENGE.

**SJSU CYBER QUESTS
PREP DAY CAMP**
