

# FINAL EXAMINATION SCHEDULE

## FALL QUARTER 2015 Monday-Saturday, December 7-12, 2015

Final examinations or final class meetings are required in all courses and shall be held at the times listed below in the regularly scheduled classrooms. Any exception in time or place requires written approval of the instructor, department/division chair, and college dean. Students who find it impossible to take the final examination at the scheduled time may, with written approval of the instructor, department/division chair, and college dean, have a special final examination administered.

Examinations for classes held in non-standard modules (e.g., Monday, Tuesday, Wednesday, Thursday courses) are scheduled by departments offering those courses. If you are taking a course in a module that does not appear on the list below, please contact the [department](#) for final exam time/date.
