INTERNATIONAL PROGRAMS & GLOBAL ENGAGEMENT

Mark your calendar for Cal State LA's celebration of [International Education Week](#), presented by the office of **International Programs and Global Engagement**. It's an opportunity to celebrate the benefits of international education and exchange worldwide, and international students who enrich the Cal State LA community.

Planned events include:

- Cal State LA international students discuss living, learning and culture in Los Angeles
- Study Abroad Information Sessions featuring returning Cal State LA students
- Cal State LA faculty highlighting the importance of international connections and programming
- Panel discussions on trending international education topics
- How to market your international student experience to future employers

...and more!
